## White Wines

<i>~ White Wines ~</i>					
<i>(The wine staff at Bern's Steak House believes that certain white wines are best when young. We therefore strive to purchase the latest releases of these wines, to ensure freshness. The white wines listed below from the following countries appear without vintage designation: America, Australia, Chile, Italy, New Zealand and Spain. When ordering these wines, expect to receive the current vintage available in our market. If you have any questions regarding a particular wine please feel welcome to ask your Server or one of our Sommeliers.)</i>					
<b>AMERICA</b>					
<b>Non-Alcoholic</b>					
6875	Fre Chardonnay	19.95			
<b>Chardonnay</b>					
<i>Light to rich golden in color, the bouquet is of apple or peach blossoms. Flavor will be creamy, rich in fruit flavors and yet clean, dry, tart, crisp and well balanced. When aged in small oak barrels or allowed to undergo malolactic fermentation, the wine will often have a further buttery roundness with the additional oak flavors of vanilla and butter-scotch. The mouth-filling flavors linger on with a rich, clean after-taste. Very full-bodied and dry, the best Chardonnays improve with 2-4 years of bottle age—more with the very best wines, and more in the best cellars.</i>

**Gewürztraminer**

*Gewürztraminer's assertive bouquet begins with the perfume of flowers and spice and a hint of Muscat. It will be very light to medium straw-colored. Whereas almost all Alsatian Gewürztraminer's (other than dessert-styled) are usually bone-dry, California styles will vary from extremely dry to relatively sweet-finished. Their Riesling-like floral, musky, spicy (perhaps allspice) flavors are aggressive, and their body is generally medium. Sometimes the wines are rich and elegant; especially when the acidity is in perfect balance. Alcohol varies from high to low, and its finish will be long and very pleasing.*

## White Wines

Bin		Bottle	Bin		Bottle
	<b>Pinot Gris or Pinot Grigio or Pinot Noir Blanc</b>			<i>Flavors can be refreshingly crisp—again, grassy, weedy, earthy, herbaceous or they may reveal a melon taste. Sauvignon Blanc is often aged in oak for a rich, mellower, more complex, and slightly vanilla flavor. Acid will usually vary but be very adequate. Body is usually full, and finish will be long. At best, this wine is soft, elegant, and very well balanced.</i>	
	<i>One of the great wines of Alsace. In the last 30 years it has become better known by its Italian name, Pinot Grigio. America is now producing some fine examples of this food friendly grape. Stylistically it can be broad and mouth filling, like they do in Alsace, or composed of fruity flavors, like Italy.</i>			<i>Like Chardonnay, the best Sauvignon Blanc seems to mellow and round out with a couple of years of bottle age.</i>

	<b>Riesling</b>		4173	Lail Sauvignon Blanc 2009, "Georgia", Napa	262.00
	<i>Flowery, fresh, Riesling bouquet (which some people say reminds them of muscat, or apricots). The flavors are clean, dry to not-so-dry, and very refreshing. At their best, Rieslings will produce wines that are elegant, well-balanced, and fruity-flowery; yet have a pleasingly tart finish.</i>		5510	Ch. Ste. 	<i>Sauvignon Blanc is generally a food wine with no residual sugar. Whereas some Chenin Blancs and White Rieslings, for example, may be crafted a bit too sweet to properly accompany some foods, Sauvignon Blanc rarely is—it will almost always be suitable at the dining table.</i>		5942	Red Hook Winery Sauvignon Blanc 2008, Jamesport Vineyard, North Fork, Long Island, NY	96.10
	<i>Sauvignon Blanc will be pale to medium yellow. It sometimes has a vegetative bouquet usually fresh grass, weedy, herbaceous, or spicy. Another style displays a fruity aroma.</i>		5477	Mayacamas Sauvignon Blanc 1984, Napa	99.00

	<b><u>CABERNET SAUVIGNON</u></b>				
	<i>Cabernet ages very well and often requires decanting. You may want to decant a young Cabernet to allow it a quick aging that the airing will give.</i>				
	<i>It will, at its prime, produce a rich brick-red color of great clarity. Its nose will be beautiful and complex, and its bouquet magnificent. Aromas will be spicy, cedary, minty, with a hint of green peppers. Flavors will be buttery rich and elegant, and the finish long and satisfying on the palate.</i>

**MERLOT**

*Merlot is known for its intense, deep, blue-black color and berry bouquet. Merlot's flavors can be lush, with a soft, glycerin-rich, velvety mouth-filling.*

*Merlot also produces wines that usually are soft much sooner than Cabernet Sauvignon. Tannins are softer and this may make them more enjoyable at a younger age. Merlot will definitely improve with age, and in many instances almost as long as a good Cabernet Sauvignon.*

### **PETITE SIRAH**

*Petite Sirah is often coarse and tannic when young. However it seems that when Petite Sirah is balanced in youth, it presages a good future. When it is aged, it will retain its spicy bouquet and peppery aroma, and will also, usually, be extremely dark in color, rich, fruity, deep, mellow, and complex in flavor. It will often have a very full body, and a fine, rich, lingering aftertaste.*

<p><i>Although you will almost always find raspberry and blackberry flavors in Zinfandel, you will also often taste other flavors. They will be in any combination of spicy, herby, grassy, jammy, and minty—as well as eucalyptus, chocolate, and even licorice—among still other flavors that you might ascribe to this wine. Everyone can find a few more “flavor nuances” or “hint of something” in Zinfandel. Some Zinfandels are meant to be drunk while they are young. They won’t last a long time, and they are tasty when they are still fresh. Many Zinfandels, however, are made in the style of Cabernet, that is, they improve with age, and are worth investigating.</i></p>			3516	Cline Cellars Zinfandel 2012, Live Oak Vineyard, Contra Costa	60.20
