

**A Kid's Place of Tampa Bay** is a state of the art, licensed 60-bed residential care facility. A Kid's Place provides a safe, stable and nurturing environment for abused, neglected and abandoned children from birth to 17 years of age. The primary focus is to keep sibling groups together and to provide a variety of services which meet the social, educational, medical, and psychological needs of the child. The unique design of A Kid's Place provides a homelike atmosphere with live-in house parents where siblings can live together until a more permanent placement can be determined. Since opening five years ago, more than 850 children and 350 families have been served.

Children who have been abused or neglected experience trauma, and their first need is for healing. Because of **A Kid's Place**, that healing can take place in the safety and security of a loving home where they can be with their siblings. Located on five peaceful acres in Brandon, Florida, our state-of-the-art facility provides a safe environment for abused, neglected and abandoned children. The 60-bed facility is comprised of five 3,200 square foot homes encircling a large playground. Together with our community partners, **A Kid's Place** offers on-site therapy services, targeted case management to support children and their families, on-site dental services and academic support services.

A Kid's Place relies on the philanthropic support of donors, organizations and volunteers. **How can you help?**

**Donate:** Your gifts directly impact the programs and services provided to foster children living in our community. You can contribute on line at [www.akidsplacetb.org](http://www.akidsplacetb.org) or by calling 813-381-3839.

**Volunteer:** Give a gift of your time to support and help with the success of our special events and community initiatives.

**Event Sponsorships:** Brand your organization while taking advantage of the many sponsorship opportunities we have available through one of our signature events.

**Host a Community Fundraiser:** with friends, colleagues or your organization to support foster children.

Other programs to benefit foster children like those at A Kid's Place are **Education Initiatives**, which equip foster children with supplies and resources to achieve academic success. We also participate in **Holiday Drives**, which provide food and gifts for the holidays and special occasions and the **Safety Net Program**, which provides temporary support to foster families in crisis.

A Kid's Place is a 501(C)3 not for profit charitable organization. For information on additional ways that you can help A Kid's Place support foster children and families in the Tampa Bay area, please visit our website at [www.akidsplacetb.org](http://www.akidsplacetb.org)
